ANGELFISH SHOW NOTICE – INTERNATIONAL AQUARIUM FAIR – NATAL-RN – BRAZIL - 2018

We are proud to announce that we will hold the 2018 Angelfish Contest from September 19th to September 23rd, 2018 in the International Aquarium Fair.

Participation and entry of fish into the exhibition / championship is free for **UCAB** members who are current with the annuity. Each member initially will have 10 display tanks available.

The registration fee for non-members is 150 reais. The registration fee gives the right to participate with 20 tanks, allowing, yet, the member to be registered as UCAB member for a period of 12 months. The participation with another 10 tanks will cost plus 50 reais, and the value is destined for making tanks.

The marketing of animals and equipment will only be allowed when carried out through the official stands of the fair. Commercialization outside these stands will result in the disqualification of the exhibitor.

Pre-registration must be made between July 19, 2018 and August 19, 2018 through the website: www.ccg.org.br. The instructions for sending the animals will be given to the participant upon confirmation of the registration.

After registration, the exhibitor will be registered in the group of exhibitors of the **UCAB** and will receive the identification cards for the animals. These cards must be completed and must go along the fish at the moment of entry into the exhibition, which should happen on **Sep/20/2018 from 09:00 to 14:00**. Entries will be received on site by the organizing team and already distributed according to the classes of this announcement.

The fish should be delivered personally by their breeders or by a representative present on the local. The shipment of the fish to the place of the event, as well as its withdrawal is the total responsibility of the breeder, who may indicate someone to do so, totally exempting the organization from any responsibility regarding the fish.

It is the responsibility of each exhibitor to follow the current regulations on shipping and transporting their animals.

International entries must arrive in Brazil for any quarantine registered under the responsibility of each exhibitor.

The organization of the event suggests sending the fish to the partner quarantine. Shipments to this quarantine should be performed by transshippers in the following locations: North America, Europe and Asia. The animals must arrive at these locations until September 10. The address and contact details of these transshippers will be available shortly.

PATROCINADORES:

The costs of sending the fish to the indicated transhippers to Brazil, as well as the costs of the partner quarantine, will be paid by the organization of the event. The costs for sending the animals to the indicated transhippers will be the responsibility of each exhibitor.

All entries must be born and created in the exhibitor's tanks, under penalty of disqualification.

The exhibitor determines the class of entry in the registration form, but they may request assistance from a judge at the time of registration.

It is not allowed to remove any fish from the exhibition before 18:00 on September 23rd. All fish need to be checked by the organization before withdrawal of exposure.

No plant or decoration will be allowed.

There will be the auction of exhibited fish. Exhibitor creators are not imposed to allow their entry to be auctioned. The purpose of this auction is to encourage the propagation of lineages worldwide. The amount raised in the auction will be destined to UCAB to pay for investments and expenses, as well as for future actions in the hobby.

There will be a team of three veterinarians, two aquaculture engineers, one fishing engineer, one zootechnician, three aquaculture technicians and ten trainees on duty to monitor the release, permanence and packaging of the animals.

The organizing team of the International Aquarium Fair does not assume any financial or legal liability for injuries, illnesses, death or loss of entries in the exhibition. Upon entering the exhibition, the competitor accepts this disclaimer.

By confirming your participation, the breeder / exhibitor authorizes the disclosure of his / her photos and videos in publicity materials of the Fair and in other shows that may happen.

The fish will be judged on a dark background, with appropriate lighting and equally distributed. Initially, 24 aquariums will be available. If the entries exceed the number of aquariums, more will be made. The entrances will be judged in glass tanks, measuring 50x30x40cm. All exhibition tanks will be provided by the event organization with hang on filtration.

Males and females will be judged together, without distinction.
