FLOWERHORN SHOW NOTICE – INTERNATIONAL AQUARIUM FAIR – NATAL-RN – BRAZIL - 2018

We are proud to announce that we will hold the 2018 Discus Contest from September 19th to September 23rd, 2018 in the International Aquarium Fair.

Participation and entry of fish into the exhibition / championship is free for **UCAB** members who are current with the annuity. Each member initially will have 10 display tanks available.

Participation and entry of fish into the exhibition / contest is open to the public upon registration. The registration fee is 25 reais with the right to participate with one tank. The registration fee entitles you to participation and awards. To add new entry, the fee of 25 reais per tank will be charged.

The marketing of animals and equipment will only be allowed when carried out through the official stands of the fair. Commercialization outside these stands will result in the disqualification of the exhibitor.

Pre-registration must be made between July 19, 2018 and August 19, 2018 through the website: www.cardumepotiquar.com.br The instructions for sending the animals will be given to the participant upon confirmation of the registration.

After registration, the exhibitor will be registered in the group of exhibitors and will receive the identification cards for the animals. These cards must be completed and must go along the fish at the moment of entry into the exhibition, which should happen on **Sep/20/2018 from 09:00 to 14:00**. Entries will be received on site by the organizing team and already distributed according to the classes of this announcement.

The fish should be delivered personally by their breeders or by a representative present on the local. The shipment of the fish to the place of the event, as well as its withdrawal is the total responsibility of the breeder, who may indicate someone to do so, totally exempting the organization from any responsibility regarding the fish.

It is the responsibility of each exhibitor to follow the current regulations on shipping and transporting their animals.

International entries must arrive in Brazil for any quarantine registered under the responsibility of each exhibitor.

It is not allowed to remove any fish from the exhibition before 18:00 on September 23rd. All fish need to be checked by the organization before withdrawal of exposure.

No plant or decoration will be allowed.

There will be a team of three veterinarians, two aquaculture engineers, one fishing engineer, one zootechnician, three aquaculture technicians and ten trainees on duty to monitor the release, permanence and packaging of the animals.

The organizing team of the International Aquarium Fair does not assume any financial or legal liability for injuries, illnesses, death or loss of entries in the exhibition. Upon entering the exhibition, the competitor accepts this disclaimer.

By confirming your participation, the breeder / exhibitor authorizes the disclosure of his / her photos and videos in publicity materials of the Fair and in other shows that may happen.

The fish will be judged on a dark background with appropriate lighting and equally distributed.

The contest will be judged according to the following rules:

There will be two classes: Males and Females.

Each class will be judged according to the subclasses: The most pearly, the biggest kok, the most colorful and the highest interactivity.

A grade of 1 to 10 will be assigned for each subclass.

The three fish that get the highest score in each subclass will be awarded.

For the definition of Best in shows, the notes of each subcategory will be added. The three fish that get the highest score will be selected for the awards. The award order will be defined by the jury. There will also be the popular vote award. There will be an urn to vote on the best fish of the exhibition.

24 tanks will be initially available. The entrances will be judged in glass tanks, measuring 50cm x 30cm x 40cm. All exhibition tanks will be provided by the event organization with hang on filtration.
